12th March 2020

Dear Parents and Carers,

Site Update

I met with Norfolk County Council again yesterday and would like to share with you the state of play at the Falcon site.

On Thursday last week and Monday and Tuesday this week we have had additional water in the school in Year 5 Goldfinches, the ICT Suite, Year 3 Wrens and several communal areas in Year 3 and 4. The cause of this ingress is not clear again. Investigations are ongoing with several contractors.

Highways and Anglian Water have worked on the drains and sewers in Falcon Road. The pressure testing of the Year 6 block did not yield any results.

I have seen the initial plans for the modular accommodation; this will be a very large project to bring all children and staff back to Falcon Road, essentially creating a temporary school the size of White House Farm Primary. I have given my input for the layout of the building and we await a second design.

A letter containing information about an update drop-in session to share plans for the modular building will follow shortly. This will be attended by representatives of Norfolk County Council, NPS, Falcon Governors and myself.

Thank you for your continued support.

Yours faithfully

A handwritten signature in black ink that reads "E J Savage". The signature is written in a cursive style.
