Weekly Reading Tasks

Monday Research facts about a famous/ significant person of your choice. Perhaps you could create a poster or a PowerPoint about them!

Weekly Spelling Tasks

Monday Practise your spellings on [Spelling Frame](#). (Spelling rule 4 - prefixes).

disappoint
disagree
disobey
inactive
incorrect
illegal
illegible
immature
immortal
imperfect
impossible
impatient

Make sure you know the meaning of each word. Can you include each word in a sentence?

Tuesday Reading Comprehension 1 – Rosa Parks
Remember 1 star = mild, 2 star = spicy, 3 star = hot.

Tuesday Choose and practise 10 of the Year 3/4 Common Exception words (in this pack). **You could use them to practice your joined handwriting** and “pyramid” them or make a rainbow with six of them.

<p>Wednesday Reading task – Think of yourself as a travel agent whose job it is to promote the setting of the story you are reading! If there is not a clear setting in your story, make one up! Why should people visit? Is it beautiful? Are the beaches? Are there theatres, restaurants and fun water parks?</p>	<p>Wednesday Practise your spellings (spelling rule 4) on Spelling Frame.</p>
<p>Thursday Reading Comprehension 2 – Nelson Mandela Remember 1 star = mild, 2 star = spicy, 3 star = hot.</p>	<p>Thursday Play a game of word heads with this week's spelling words! Ask a family member to choose a word from the spelling at random – you have to then guess the word by asking questions about it! Your family member can only answer yes/no. Example questions you could ask:</p> <ul style="list-style-type: none"> • Am I a verb? • Do I start with a vowel? • Am I an adjective? <p>Have a think of other questions you could ask before you play the game!</p>
<p>Friday – Watch Newsround and discuss what is happening in the wider world.</p>	<p>Friday Test yourself on all this week's words.</p>

Learning Project - to be done throughout the week

The project this week aims to provide opportunities for your child to learn more about famous or significant people. Learning may focus on past or present inventors, explorers or scientists and how they influence society today.

- **Famous Fact Find** - Find out about one or more Famous British People here. Ask your child to decide how they would like to present the information they have discovered. This could be a slide show, a poster or an information report about them. Can your child create a true or false quiz about their chosen person and test it out on the family during a games night?
- **Healthcare Heroes** - As the NHS plays such a significant role in our lives, ask your child to represent our amazing NHS staff with their own piece of artwork. This could be a painting, collage or even a collectable stamp of a famous medic e.g. Florence Nightingale, Mary Seacole or Aneurin Bevan. Remember to tweet a photo of their artwork #TheLearningProjects.
- **Sport Superstar** - Watch an interview with Rod Ellingworth, a famous, British cyclist. Then go for your own bike ride as part of your daily exercise. Don't forget to wear your helmet. No bike? Then take a walk and look out for any cyclists you see. Recommendation at least 2 hours of exercise a week.
- **Family Matters** - As a family, discuss the famous people that may have had an impact on their lives and the choices they have made about the jobs they have chosen. Talk about who has inspired them and why. Your child can create a family tree that illustrates inspirations and choices.
- **Religious Role Models** - Ask your child to find out about significant religious people, like Jesus, Moses, Muhammed (pbuh), Guru Nanak or someone else who is important to your family. What do they notice about these people? What is similar about them? What is different? Help! Record the similarities and differences in a table format or make a Religious Role Model mini-book.
- **Science & DT Activity**
Sophia Barnacle
Sophia was a British inventor who, in 1907, invented the Helter-skelter. Try using junk box material to make your own helter-skelter or marble run. Can you design your marble run to keep your marble running for at least 1 minute?
To find out how Dyson engineers made their marble run visit this website and look at challenge 3.

Baking – Super easy flapjacks!

The Year 4 teachers LOVE flapjacks! If you have time, why not have a go at baking them!
Do you love flapjacks just as much as us? Yummy!

Ingredients

250g jumbo porridge oats

125g butter

125g light brown sugar

2-3 tbsp golden syrup (depending on how gooey you want it)

Method

1. Heat oven to 200C/180C fan/gas 6.
2. Put 250g jumbo porridge oats, 125g butter, 125g light brown sugar and 2-3 tbsp golden syrup in a food processor and pulse until mixed, but be careful not to overmix otherwise the oats may lose their texture.
3. Lightly grease a 20x20cm baking tin with butter and spoon in the mixture. Press into the corners with the back of a spoon so the mixture is flat and score into 12 squares.
4. Bake for around 15 minutes until golden brown.
