Email: office@falcon.norfolk.sch.uk

Headteacher: Mr E J Savage

2nd April 2020

Dear Parents and Carers

As children are now accessing their learning online, we would like to communicate with you ways you can keep your child safe online as well as ensuring you know what to expect from school.

Firstly, each child has access to an nsix email address, which is a Norfolk County Council secure email. They can use this to communicate with their class teacher or friends but will **not** be asked to communicate with anyone outside of the school community.

In addition, children will be accessing their work via the Google drive or directly from the Falcon Junior School website. Other websites the children will be asked to access regularly are Times Tables Rockstars, Sumdog and Accelerated Reader. For each of these sites, children have a secure username and password. Any other sites your child is asked to access will be checked by the class teacher. Nevertheless, it is still important to ensure you have the appropriate parental controls set on any device. If you are unsure how to set up parental controls the following link gives instructions for specific devices <https://www.internetmatters.org/parental-controls/>.

Other useful websites which provide parents with advice on how to keep children safe are:-

- [Internet matters](#)
- [London Grid for Learning](#)
- [Net-aware](#) - support from the NSPCC
- [Parent info](#)
- [Thinkuknow](#) - for advice from the National Crime Agency to stay safe online
- [UK Safer Internet Centre](#)

Finally, we would be grateful if you could remind children of people who they can talk to if they have a concern about something that has happened online. This will primarily be their parent/carer but they can also contact their class teacher via e-mail as well or Childline (0800 1111).

If you have any concerns or questions about online safety, please do not hesitate to contact me via the school office office@falcon.norfolk.sch.uk and I will do my best to help.

Yours sincerely

Michelle Margree
