## Coronavirus – Alternative provision at Falcon Junior School

This is a national medical emergency; it is essential that your child is only in school if you are a critical worker meeting the government guidelines and you have no other option for childcare.

If you or your partner can work from home, then your child **should not** be in school.

Schools are closed to reduce the risk of infection for pupils, families and staff. Your child will have an increased risk of infection from others by being in school.

Please read the flowchart below:

At present, we are able to staff our alternative provision. We will review our staffing levels daily and monitor the national situation and guidelines. We need to know the exact dates that your child will be attending, please contact the office to inform us of these. If there is any change in our circumstances, we will contact you as soon as possible.

It is essential that we have an up to date email address and phone number for you. If your child shows any signs of illness we will need them collected from school immediately.

If you need me or any of the staff, please call us on 01603 441417 or email at [office@falcon.norfolk.sch.uk](mailto:office@falcon.norfolk.sch.uk)

If your child no longer requires a place in our childcare provision, please let us know at the earliest opportunity.

E J Savage  
Headteacher
