28<sup>th</sup> February 2020

Dear Parents and Carers

Welcome back to school following the half term break. I hope you had an enjoyable and relaxing break and that the children are looking forward to their learning in the run up to Easter.

Here is an update on the building work at Falcon Junior School. Work has been progressing over half term and has continued this week:

- Further investigation work has been taking place within the school building including the use of a ground penetrating radar.
- Two soakaways have been located within the school and these will be excavated.
- Two areas of flooring are currently being excavated and investigated.
- The Year 6 water feeds will be pressure tested to eliminate any leaks on these.
- All internal downpipes have been secured and repaired if needed.
- Highways are investigating the drainage on Falcon Road where they have identified some problems.

I have met with the County Council this week and will again next week to continue exploring installing modular accommodation at the Falcon site to move all the children back. This is a complicated project and requires effective planning.

I will update you with further information as soon as I have it.

Thank you for your continued support.

Yours faithfully

A handwritten signature in grey ink that reads "E J Savage". The signature is written in a cursive style.
