3rd June 2020

Dear Parent/Carer

I am writing to you regarding the government's desire for a wider opening of schools for the final month before the summer break.

At present, we are preparing for a cautious and phased approach for Year 6 to return on the 8th June. Due to the premises issues at Falcon, Year 6 will be attending Sprowston Community Academy with Critical Worker provision continuing in the Year 6 Block at Falcon Junior School. We are very grateful to SCA for supporting us in these challenging circumstances.

There is no information from the government as yet on the wider opening, nor a date or guidance for Year 3, 4 and 5. As soon as this information is available, we will begin to make plans and communicate these with you. The guidance from the government changes regularly therefore our plans need to be flexible and responsive to new information.

On a positive note, the contract for the temporary, modular building has been signed and work is due to start tomorrow. The designs are available on the board outside the main gates and on the board by the big, blue gates on the Upper School Playground for you to view if you are passing.

Finally, with a lot of the school resources being at White House Farm Primary School and at Sprowston Community Academy, we will be **closing for summer on Friday 17th July** rather than Tuesday 21st July. This will enable us to return everything to Falcon and clean the rooms we have been using in preparation for reopening in September back at Falcon Road West.

Thank you for your support over this very difficult time and we will be in touch once more information becomes available.

Yours faithfully
