Dear Parents and Carers

## **Re: ParentPay**

The current situation regarding ParentPay was reported to the governing body on Monday evening at our Strategy Meeting. The current amount that is owed to the school by families is £2991.

The governors have decided to continue with Parent Pay into the new school year whilst researching other companies who may provide better service.

Due to the level of debt, the decision has been made that all accounts need to be in credit at all times. Should there not be enough money in your account for a school meal (currently £2.30), your child will not be able to order one.

Please support the school in this matter. There is no money in the school budget to pay for outstanding meals. This would have to come directly from the education budget. If you have difficulties with the ParentPay system, please do contact us at the school.

Thank you for your continued support.

E J Savage
