22nd May 2020

Dear Year 6 parents and carers

I am writing to you regarding the proposed reopening of schools for Year 6 Pupils. Thank you for all of your responses to the survey last week. The survey is now closed and we are working with answer that you have given. At this point, we cannot accept anymore “yes” responses until we re-survey.

The governing body at Falcon Junior School met last night and considered all the risk assessments, routines and procedures that have been put in place for reopening. Additionally, they have considered that we are moving school buildings for a second time to Sprowston Community Academy.

The governing body want to make sure that we use a cautious approach to reopening and do this in a controlled, phased manner in the interests of everybody’s safety.

Falcon Junior School will therefore welcome back **some** Year 6 pupils on **Monday 8th June** not Monday 1st June.

In week beginning 8th June, Year 6 children will be on a phased return on two days a week. There will be further information regarding this next week after the Bank Holiday once we have allocated children into “bubbles”. Subsequently, we will then review all the new procedures and ensure they are workable to move forward to a wider opening for Year 6.

Over the next week, I will put information on the school website that will show how we will be operating.

Please be mindful that if the other year groups are to return before Summer, we will have to be really flexible with Year 6 for staffing and social distancing reasons. Plans may have to change at very short notice.

Thank you for your continued support.
