Headteacher: Mr E J Savage

2nd March 2020

Dear Parents / Carers,

We have been contacted recently by a number of residents regarding the parking on the roads surrounding White House Farm Primary School. Falcon Junior are extremely grateful to White House Farm Primary and are conscious that we are guests in the neighbourhood. Therefore, parents must be respectful to the local community.

A few parents have been regularly upsetting residents by inconsiderate parking. This includes: parking across driveways, blocking access to cul-de-sacs and parking in resident only parking bays and carparks. We are aware the police have been contacted on a number of occasions due to anti-social behaviour.

All staff, including Mr Tempesta our site manager on the gate morning and night, are working hard to ensure the safety of our pupils. Please respect the advice they give regarding parking and the cones that are placed around the school to support with the flow of traffic and the children's safety. Verbal and physical abuse will not be tolerated.

Several footpaths are signposted as private close to the school, please ensure children are aware of this and take appropriate routes.

We have worked with highways, Norfolk County Council and the Police to try to make this situation work the best it can, but need parents to support this.

A to Better, a local transport company that works directly for Manor Park via the construction companies, is also offering support with running a Parking Poster competition for all pupils at both schools. The winning poster will be made into a banner for display outside White House Farm School.

Thank you for your support in this very important matter.
