

We are a happy school  
with a reputation for  
being kind and  
friendly to each other.

Make sure we  
keep it that way!

Bullying is  
everybody's  
business!

Together we can  
make sure that  
nobody in our  
school is made to  
feel this small.

Further details of how we  
combat bullying at Falcon,  
see our website for our Policy.

You can help by:

- keeping calm
- showing that you disapprove
- standing up for the person being bullied
- making a stand against the bully
- talking to an adult who can help

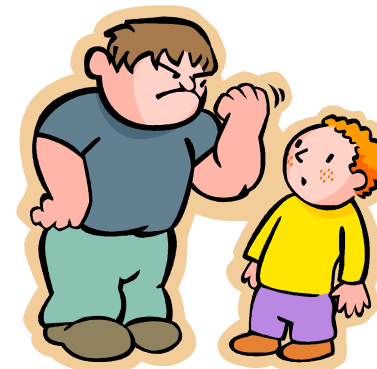

Bullying is picking on someone and making them unhappy again and again by:

- hitting, kicking, tripping or pushing
- threatening or ganging up on
- teasing, taunting or name calling
- making fun of or saying unkind things
- whispering or spreading unkind rumours
- hiding other people's things or spoiling work
- making the person feel unwanted or alone
- making the person feel humiliated or worthless

Nobody has the right to make someone unhappy.

We believe that bullying is wrong.

Be aware and do something to stop it.
